800 BAY ROAD SUITE 2 • DOVER, DELAWARE • 19901 (302) 741-2600 EXT. 3 • FAX (302) 741-0347

RE-INSPECTION OF the STANDARD SEDIMENT & STORMWATER PLAN

(July 2005)

This form must be submitted to Kent Conservation District at the time the final inspection is requested if the final grading, seeding, and mulching was not completed for the 1st final inspection. A fee of \$50 is required prior to approval of the inspection request. Failure to submit this form and fee when the 2nd final inspection is requested may result in a delay in the issuance of the Certificate of Occupancy.

Property Location: _____
house number and street name, or subdivision name and lot number

OWNER INFORMATION (PLEASE PRINT):

Owner's Name: _____

Owner's Mailing Address: _____

Owner's Daytime Phone: _____

This agreement is to request that the Kent Conservation District issue an approval for the above property because the finished grading was not completed prior to Certificate of Occupancy inspection. It is understood that the owner and responsible person have unconditionally guaranteed that the proper final grading and seeding was to be completed when the first Certificate of Occupancy request was requested. Proper seeding and grading will be finished on the day of the 2nd Certificate of Occupancy inspection. _____ .
